Dear Ms. Ramsey,

Rockwood High School greatly appreciates your donation of the bottle filling station with drinking fountain. This type of fountain fills a need in our school for staff and students to have easy access to safe, clean water. Currently, the touchless bottle fillers are a necessity in order to comply with recommended hygiene practices during the COVID-19 pandemic.

We especially appreciate the efforts of Bonnie Fugate of RWSG for making this possible. She recognized the need for our school and worked to acquire appropriate fountains.

Thank you again to RWSG, City Council and Bonnie for caring for and supporting RHS.

Sincerely,

Shannon Cawood and Leanne Malicoat
