

INCENTIVE PLAN FOR WATER AND GAS TAPS

Rockwood Water Sewer & Natural Gas is offering a reduced price for Water & Gas taps. To be eligible for a reduced tap fee, the customer or potential customer must meet the following:

- 1) Tap needed is only to serve an existing residential structure (not eligible for new construction)
- 2) Only applicable to standard residential size for Water & Gas
- 3) Existing main line is already available to serve the residence.
- 4) All applicable codes are met.

The Reduced Price:

Water ¾" Inside City / \$1,000.00	Water ¾" Outside City \$1,190.00	(\$300.00 Discount)
Natural Gas AC250	\$700.00	(\$200.00 Discount)

This discount will be available until February 28, 2025 .
